DISH GARDENS AND FILLED NOVELTIES

This department has been growing rapidly. Many of our customers are stocking more of these items and find them to be most profitable. We believe that we have one of the finest and most complete assortments of containers to be found anywhere. We have filled dish gardens priced at \$1.00 - \$1.50 - \$2.00 - \$2.50 - \$3.00 and up (Filled novelties are priced 50c - 75c - \$1.00 - \$1.50 and up). For trial orders we will ship orders of Filled Gardens and Novelties for \$15.00 - \$20.00 - \$30.00. Specify the sizes desired or we will ship assorted in the various price ranges as ordered.

Our display salesroom of unfilled dishes has become most popular with our pick up and carry trade. In this display room we have over 600 running feet of shelves area all filled with empty novelties and dishes for gardens. We also carry many items that are ideal for cut flower arrangements.

NOTE: We stock a complete line of Union Products Utility Flower Pots. You will find it convenient to pick up your pots the same time you are getting your plants, or we can ship them to you. Send for our flower pot price list.

Consult List #22 for further details

- All stock offered is subject to being unsold. Prices quoted are NET cash with order. To customers who have established credit relations with us, payment is due on or before the 15th of the month following purchase.
- Prices quoted for plants are in plastic pots. After several years experience with plastic pots, we are completely satisfied that for our conditions they are far superior to clay pots. They are light, clean, strong and save handling costs at all levels.
- SPECIAL NOTICE. All orders must be for standard packed cartons as follows:

50 — 2¼" pots	40 — 2½" pots
25 — 3" pots	20 — 3½" pots
	17 — 4" pots

DO YOU HAVE OUR PRICE LIST 22 ☐ YES ☐ NO

SEPTEMBER 1, 1959

THIS LIST CANCELS ALL PREVIOUS LISTS

This list cancels all previous lists. All stock offered is subject to being unsold. Prices quoted are NET cash with order. To customers who have established credit relations with us, payment is due on or before the 15th of the month following purchase.

Prices quoted for plants are in plastic pots. After several years experience with plastic pots, we are completely satisfied that for our conditions they are far superior to clay pots. They are light, clean, strong and save handling costs at all levels.

Please note the various assortments of plants we offer. For many of our customers this is the best way to buy plants. If after you purchase your first assortments you find some kinds that do not sell well in your locality, specify on your next orders that these be eliminated. If you find some kinds go extra well you should specify more of these items. We do not intend to send you kinds that do not sell.

We have regular truck routes to Providence, Worcester and many other points. If you have any doubts as to whether we can include you on one of our truck routes we will be glad to advise you.

To you that have not yet visited our greenhouses we think that we have many things that will be of interest and value to you. We pasteurize all our soil electrically. We use hundreds of fluorescent lights to intensify our growing capacity. We have four plastic greenhouses that we are experimenting with. We are using plastic pots exclusively and have developed several types of racks to enable us to handle them more efficiently. **You will find it easy to find us by following these directions.**

Folks traveling from the south of us should come on Route 128 to Woburn, then take off at Exit 30 north towards Lowell. We are about seven miles from 128 and are located on the right on Route 38. Route 128 is accessible to customers coming from central Massachusetts via Routes 9 and 20. It is also quite handy to folks coming from Maine on Route 1, although it is possible to cut off a corner by coming cross lots through Haverhill. Customers coming from Nashua, Keene and North of us will find it possible to skip going through Lowell by taking either Route 110 or 3 to Route 129. Keep on Route 129 through Billerica Center to East Billerica two and three-tenths miles from Billerica Center, bear left from 129. This will take you to Route 38 (one and nine-tenths miles). Turn left on Route 38 and we are located on the right three-quarters of a mile north.

You will find it to your advantage to call at our greenhouses and pick out your plants and take them right along with you.

At our green houses you will find other plants than those listed on this price list. It is impractical to list the items that we only have a few of. You save express charges which are getting higher each year and to make it more desirable for you to **pick up and carry home** your purchases, we will allow a **5% discount** on **all purchases over \$10.00**, of **potted plants, filled Novelties and Dish Gardens**, and **all items** carried in our **Ceramic and Plastic display room.**

CLOSED ON SUNDAYS
